I. GUIDELINES ON THE CONDUCT OF THE SCHOOL YEAR 2025-2026 IN-SERVICE TRAINING FOR TEACHERS (INSET) ON 27-30 OCTOBER 2025

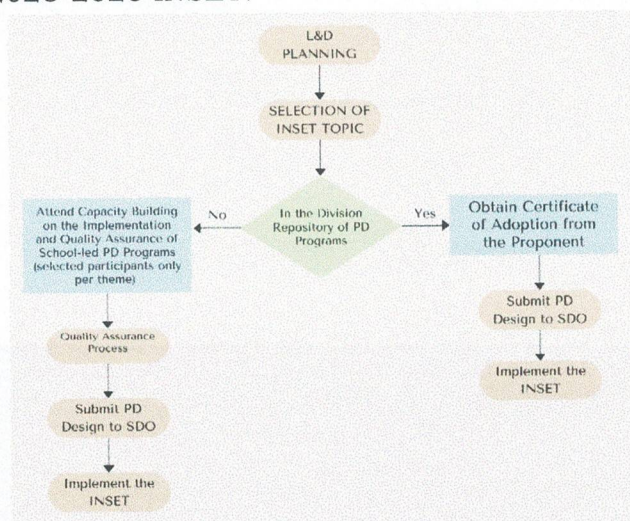

- a. As per Memorandum DM-OULS-2025-095 from the Office of the Undersecretary for Learning Systems, the conduct of the INSET shall be guided by the primary goal of strengthening teacher competencies for enhanced learning delivery in all classrooms and learning centers. Specifically, INSET shall focus on any of the following key training contents:
 - i. Reflective practice and instructional refinement in the implementation of the:
 - i. Revised K to 12 Curriculum
 - ii. ARAL-Reading Program
 - ii. Strengthening inclusive instruction
 - iii. Strategies for promoting literacy and numeracy
 - iv. Strategies for developing critical and creative thinking as well as other higher order thinking skills
 - v. Instructional strategies for non-major teachers handling Filipino in Junior and Senior High School
 - vi. Empowering teachers on Socio-Emotional Learning (SEL) in classroom instruction
 - vii. Strategies for supporting continuity of learning during emergency situations through flexible modalities
 - viii. Accelerating digital adoption for effective and accessible learning delivery
 - ix. Strengthening instruction and assessment in the Alternative Learning System
 - x. Enhanced delivery of Guidance services by Guidance designates in schools
 - xi. Other emerging needs based on teachers' individual professional development plan (as indicated in the School Annual Learning and Development Plan).**
- b. All School Heads shall ensure the implementation of SY 2025-2026 INSET in accordance with prescribed guidelines, providing appropriate professional development programs for all K to 12 teachers based on their needs. Education Program Supervisors and Public Schools District Supervisors/Principals In-Charge are likewise enjoined to extend technical guidance and support to their respective schools to facilitate the effective preparation and conduct of the INSET.
- c. To ensure quality in the preparation and delivery of the INSET, this Division, through the Human Resource Development Section (HRDS), manages the preparation up to the quality assurance of the INSET program designs and the learning resource packages and materials consistent with DM-OUHROD-2024-1576 titled, Guidelines on the Conduct of Regional Office-, Schools Division Office-, and School-Developed Professional Development Programs which can be accessed through **tinyurl.com/DM241576** or **bit.ly/LandDNorte**.
- d. All schools/districts conducting INSET shall ensure that the Training Resource Package (TRP) used by them are quality-assured (in any governance

level) and/or are duly approved by the Schools Division Superintendent along with sound budgetary allocation.

- e. The expenses for school-based INSET may also be funded through the Maintenance and Other Operating Expenses (MOOE), in accordance with DepEd Order No. 008, s. 2019 or the Revised Implementing Guidelines on the Direct Release and Use of MOOE Allocation of Schools, Including Other Funds Managed by School, and subject to the usual government accounting and auditing rules and regulations.
- f. INSET may be organized and conducted either at the school level (school-based INSET) or at the district/division level (cluster-based INSET), depending on the number of participants and the specific development needs of each group. Schools and districts are strongly discouraged from holding team-building activities disguised as INSET, particularly those conducted in resorts or recreational venues. School heads and district supervisors shall ensure that INSET activities promote optimum learning; hence, training venues must be conducive to a professional learning environment.
- g. To ensure effective implementation and documentation of INSET activities, all schools, through the District HRD Focal Person, shall submit consolidated INSET completion reports using the prescribed NEAP format to the Google Drive Folder to be provided to the District HRD Focal Persons.
