2. The EVRAA Meet 2026 aims to:
  - a. foster the optimal development of athletes' physical abilities through competitive engagements, emphasizing the importance of sound health, safety,  
and overall physical fitness, thus ensuring their holistic well-being;
  - b. cultivate an environment where athletes not only compete but also collaborate,  
emphasizing the significance of teamwork in achieving collective objectives, fostering camaraderie, and mutual support;
  - c. instill principles of good conduct, integrity, and respect, inherent to sportsmanship, guiding athletes to exemplify proper values and attitudes;

4. The participation of the Northern Samar Delegation shall be guided by the following enclosures:

Enclosure No. 1 – Schedule of Activities in the Conduct of the Preparatory Activities and Participation of the Northern Samar

Athletics

Association (NSPAA) in the 2026 EVRAA Meet

Enclosure No. 2 – DepEd Northern Samar Delegation Officials and Technical Working Group (TWG) for the EVRAA Meet 2026

Enclosure No. 3 - Qualified Athletes, Coaches, Assistant Coaches, and Chaperones for the 2026 EVRAA Meet

5. In view thereof, this Office requests that all concerned personnel and athletes listed in the attached enclosures be excused from their work and/or classes from February 1, 2026 to March 8, 2026, depending on their involvement in the activities—specifically, the implementation of the Sports Concentration Training and the official attendance of the delegation during the 2026 EVRAA Meet—as reflected in the attached schedule of activities (Enclosure No. 1).

6. It is understood that appropriate arrangements shall be made for the classes of the athlete-learners, granting them reasonable consideration in the submission of academic requirements such as projects and performance tasks, and allowing them to take special examinations in cases where they are unable to meet deadlines due to schedule conflicts arising from the concentration training and participation in the 2026 EVRAA Meet.

7. Likewise, necessary adjustments shall also be arranged for the work or classes of teacher-coaches, assistant coaches, chaperons, and working committee members. Schools are encouraged to employ Alternative Delivery Modes (ADM) and/or designate other teachers to handle the classes or subject loads of affected personnel, as deemed appropriate in their respective contexts.

8. In the giving of grades to athletes, all subject teachers are encouraged to provide due consideration for all quizzes, activities, and performance tasks missed during their excused absences for training and competition. These athletes represent their school, district, and unit; hence, they deserve appropriate academic support through make-up or remedial classes, including modular learning or Alternative Delivery Mode (ADM), to ensure they can cope with lessons and subject requirements.

9. All sports officials and working committee members listed in the attached enclosure must adhere to the provisions of DepEd Order No. 40, s. 2012 (DepEd Child Protection Policy). As such, all officials shall be held responsible for the protection of student-athletes from abuse, violence, exploitation, discrimination, bullying and other forms of abuse. All officials are reminded also to take precautionary measures in order to avoid accidents before, during, and after the training and events. “CARE AND SAFETY OF ATHLETES ARE OUR TOP PRIORITY”.
