4. The testing window shall be from March 9-18, 2026, **during regular school hours**. Sample Schools shall follow the attached examination schedule within the testing window.
5. In light of the limited availability of functional computer units and challenges in internet connectivity in some schools, educational institutions are encouraged to coordinate and collaborate with nearby or partner schools and institutions that have adequate technological resources. When necessary, laptop/tablet units and other testing resources may be temporarily transferred to schools with limited facilities to enable them to conduct the computer-based testing. This initiative aims to optimize the use of existing technological resources and ensure that all students have equitable access to the tools required for test-taking. The transfer of learners shall be permitted only if the nearby school is located within the school district.
6. To ensure adequate preparedness and familiarity with the testing procedures, all sample schools should conduct an orientation using the **walkthrough video** provided by the BEA. This gives students and teachers the opportunity to become acquainted with the testing environment and address potential issues that may affect performance during the actual examination.
7. This memorandum shall serve as **Travel Authority** for the personnel involved in the administration of the CB-NATG12.
8. Expenses relative to the conduct of the CB-NATG12, including the travel and incidental expenses of the Division Testing Coordinator, ITO, Private School Supervisor, and Staff, shall be charged against the NASBE Program Support Fund (PSF). Meanwhile, incidental expenses incurred at the school level shall be charged to their Maintenance and Other Operating Expenses (MOOE). All expenditure shall be subject to existing accounting and auditing rules and regulations.
9. Immediate dissemination of and strict compliance with this Memorandum are desired.
