SUBJECT : **OFFICIAL NATIONWIDE ROLLOUT OF THE INSIGHTED**
MOBILE APPLICATION

DATE : March 27, 2026

Consistent with the Department of Education's commitment to modernize educational management through data-driven decision-making, and following the successful conclusion of its pilot testing phase, the Human Resource and Organizational Development and Infrastructure (HRODI) Strand will roll out the **InsightED Mobile Application** nationwide.

InsightED serves as the dedicated mobile data collection arm of the Strategic Resource Inventory for Deployment Efficiency (STRIDE) Dashboard. It is designed to bridge the gap between our physical school environments and the digital databases used for strategic planning across governance levels in the Department. Its primary purpose is to streamline the process of capturing real-time, granular school infrastructure and resource data directly at the school level.

To ensure absolute data integrity and usability across diverse field conditions, InsightED is equipped with the following validated features:

- **Offline Capability & Auto-Sync:** Allows continuous data entry in remote areas without internet access, utilizing an "Auto-Sync" feature to automatically and securely upload queued records once connectivity is restored.
- **Geotagging:** Automatically captures precise GPS to verify that reports are unambiguously submitted on-site.
- **Photo Evidence:** Requires timestamped and watermarked photos to validate the actual physical status of infrastructure and asset inventory.

- **Smart Forms for Data Integrity:** Intelligently rejects invalid data at the point of entry and evaluates data consistency, prompting schools to revise entries to automate the rigorous data cleaning process.

Together, the InsightED mobile application and the STRIDE Dashboard compose a harmonized data ecosystem. Data submitted through the InsightED mobile platform shall sync with the STRIDE Dashboard, creating a seamless pipeline that enables the real-time monitoring of school human resource and infrastructure information.

This integration shall benefit the operation of the HRODI Strand through:

- **Creation of Unified Data System:** Eliminating fragmented data sources and the need for manual consolidation, the ecosystem vastly improves operational efficiency and establishes a unified baseline for all educational data.
- **Evidence-Based Decision Making:** Empowering decision-makers at all governance levels to precisely identify resource gaps and surpluses, ensuring the equitable distribution of human resources and infrastructure.
- **Targeted Interventions:** Utilizing geographic and hierarchical data visualization to allow Regional and Division Offices to easily pinpoint specific schools with the most critical congestion or repair needs.
- **Predictive Capabilities:** Leveraging continuous data collection through InsightED to fuel future predictive analytics, allowing the Department to forecast enrollment shifts, project budget requirements, and anticipate infrastructure damage risks before they escalate into emergencies.

In line with this, the official rollout of the InsightED Mobile App will commence from April 1 to April 10, 2026. All school heads of public elementary and secondary schools nationwide are hereby directed to adopt and utilize the application for the inventory of school resources and assessment of school facilities.

Furthermore, **all Division Engineers are also directed to use the InsightED Mobile Application** to update the status of infrastructure projects within their respective Divisions through photo documentation, accomplishment of construction checklist, assessment of completion percentage, and uploading of all necessary documents.

The **InsightED Mobile Application can be accessed and installed on mobile devices through this link: tinyurl.com/InsightEDv2.** A comprehensive instructional guide detailing the step-by-step procedures for the installation and accomplishment of the application will also be available at tinyurl.com/InsightED-HTMLGuide-SH and tinyurl.com/InsightED-HTMLGuide-DE for School Heads and Division Engineers, respectively.

Attached as **Annex A** to this memorandum is the detailed step-by-step guide on how to accomplish the InsightED Mobile App for School Heads.

During the official rollout, the Regional Offices (ROs) and Schools Division Offices (SDOs) through the Regional Planning Officer and Division Planning Officer shall oversee the deployment, monitor submission progress, and provide technical assistance to schools encountering difficulties.

To facilitate the smooth rollout of the application, an online orientation will be conducted for Division Engineers via MS Teams on March 31, 2026 at 10:00 AM via this link **tinyurl.com/InsightED-Infra**.

A separate online orientation shall also be conducted for Regional Planning Officer, Division Planning Officers and one (1) School Head from each division to discuss the rollout process on April 1, 2026 at 10:00 AM via MS Teams using this link: **tinyurl.com/InsightED-SchoolHead**.

All participants who will attend this online orientation must register via this link: **tinyurl.com/InsightEd-PreRegistration**.

For technical inquiries, clarifications, and support, you may contact **Mr. Sebastian Cheng** of the Bureau of Human Resource and Organizational Development – School Effectiveness Division (BHROD-SED) at support.stride@deped.gov.ph.

Immediate dissemination of and strict compliance with this Memorandum is desired.
