3. All Public Schools District Supervisors, School Heads and School/District Property Custodians are enjoined to take note of the following pickup and distribution arrangements. Schools that are within reasonable and convenient distance of the SDO shall claim their allocated units directly at the Division Office, following the schedule below:

- Pickup venue: SDO Supply/Property
- Pickup schedule: Starting August 4, 2026, right after the Turn-Over Ceremony, until August 6, 2026, 8:00 AM–5:00 PM
- Authorized representative: The School Head, or a duly designated and written-authorized school personnel, shall claim the units.
- Requirements to bring: school authorization letter/designation, valid ID of the representative, and the school's copy of the allocation list.
- The representative shall sign the applicable acknowledgment/turnover document (e.g., Inventory Transfer Report) confirming the quantity received.
- If excess lapels are identified in any school, they shall be turned over for distribution to other schools that have no allocation or have insufficient allocation.

4. To ease the burden of travel on schools located in geographically far-flung or hard-to-reach areas, the following arrangement shall apply:

- The Public Schools District Supervisor (PSDS) of far-flung districts shall take the lead in picking up the entire district's allocation of lapel voice amplifiers from the SDO in a single trip, on behalf of all schools within the district.
- The PSDS/School AO II shall sign for and acknowledge receipt of the full district allocation, consistent with the schools' quantities in the approved allocation list.
- The PSDS shall then arrange for the units to be brought to the District Office (or another agreed common point within the district) for onward distribution to and pickup by individual schools within the district.

- This arrangement is intended so that schools need only travel to their nearer District Office rather than to the SDO, reducing travel time, cost, and risk for far-flung schools.
5. Lapel voice amplifiers remain government property and shall be issued for official instructional use only. The PSDS, School Head, and School Property Custodian shall ensure that all receipt, custody, and issuance to teachers are properly documented using the appropriate accountability forms. Any shortage, damage, or discrepancy noted upon receipt at the district or school level must be reported immediately to the SDO Supply Office. Schools/districts are reminded to observe safe handling and proper storage of the devices while in transit and pending issuance to teachers.
 6. List of schools with allocations.
 - Distribution list (Annex)
 7. For information, guidance, and compliance.
