Through meaningful engagement with professionals, industry leaders, higher education institutions, government agencies, and partner organizations, TAHAK: The Grand Career Day aims to provide **Junior and Senior High School students** with valuable insights into career pathways, emerging industry opportunities, and the skills needed to succeed in an evolving world of work.

More importantly, the initiative seeks to remind every learner that their dreams are achievable when they are equipped with proper guidance, support, relevant information, and meaningful opportunities. We firmly believe that preparing our learners for their future is a shared responsibility.

Through the continued partnership between the Department of Education and the Provincial Government of Northern Samar, we can create stronger opportunities for our students to discover their strengths, explore their possibilities, and confidently pursue the educational and career pathways they aspire to achieve.

We will provide meals and distribute kits for the participating students and designated school personnel during the event. However, due to logistical limitations, the Provincial Government will not be able to provide transportation for the participants. The concerned schools are therefore respectfully requested to make the necessary transportation arrangements for their participation in the activity.

Should your office require further clarification or coordination, please feel free to contact the NSPESO at (055) 500-1363 or via email at pgns.peso@gmail.com. We appreciate your usual support and look forward to your favorable response.

Very truly yours,

ROSE ANNE G. SUAN
