Public Elementary and Secondary School Heads Concerned
Other Concerned Personnel

INDORSEMENT OF MEMO OULLA 2026-3084 ON THE SUBMISSION OF REQUESTS FOR ACQUISITION OF NEW SITE TO ADDRESS SCHOOL CONGESTION AND ENVIRONMENTAL AND SAFETY CONCERNS AFFECTING EXISTING SCHOOL SITE

1. In line with Memo OULLA 2026-3084 entitled, **“Submission of Requests for Acquisition of New Site to Address School Congestion and Environmental and Safety Concerns Affecting Existing School Site,”** this Office hereby endorses the said Memorandum to all concerned for their information, guidance, and appropriate action.
2. All Public Schools District Supervisors and School Heads are advised to carefully review the provisions and requirements of the said Memorandum and identify schools that may need the acquisition of a new school site due to school congestion or environmental and safety concerns affecting their existing school premises. Concerned school heads are directed to coordinate with **Atty. Risty T. Adarayan, Division Legal Office** and ensure that any request for the acquisition of a new school site is properly documented, supported by relevant evidence, and submitted in accordance with the prescribed guidelines, documentary requirements, and deadlines, provided under the referenced Memorandum.
3. For strict compliance and appropriate action.

SUBJECT : SUBMISSION OF REQUESTS FOR ACQUISITION OF NEW SCHOOL
SITE TO ADDRESS SCHOOL CONGESTION AND ENVIRONMENTAL
AND SAFETY CONCERNS AFFECTING EXISTING SCHOOL SITES

DATE : OCT 27 2026

In line with the ongoing initiative of the Department of Education (DepEd) to provide learners with safe, accessible, and conducive learning environment, the Sites Titling Office (STO) shall facilitate the acquisition of new school site through provision of funds under the Improvement and Acquisition of School Site Capital Outlay. This initiative aims to resolve existing school site constraints, particularly school congestion and environment and safety concerns that negatively impact the delivery of basic education and justify the acquisition of additional school sites or relocation of existing schools.

In this regard, all Regional Offices (ROs) and Schools Division Offices (SDOs) are requested to accomplish the School Site Acquisition (SSA) Form for public schools experiencing significant congestion and/or environmental and safety concerns that cannot be sufficiently addressed within their existing school sites. The accomplished SSA Form shall serve as the basis of the STO in evaluating, prioritizing, and identifying schools for possible school site acquisition.

For the initial evaluation, the accomplished SSA Form must have the following information, as applicable:

A. School Congestion

- The classroom shift ratio or Pupil/Student-to-Classroom Ratio as well as the Land-to-Pupil/Student Ratio;
- Confirmation that the existing school site has no available or sufficient buildable space to address the identified congestion; and
- Confirmation that a proposed site for acquisition has been identified, which must be covered by a certificate of title, including estimated acquisition cost.

B. Hazardous or Environmental and Safety Concerns

- A certification or assessment from the Department of Environment and Natural Resources - Mines and Geosciences Bureau or other appropriate government agency confirming that the existing school site is unsafe or unsuitable for school use due to the identified environmental, geohazards, or other safety concerns; and
- Confirmation that a proposed site for acquisition has been identified, which must be covered by a certificate of title, including estimated acquisition cost.

The SSA Form can be accessed through the link below or by scanning the corresponding QR code:

The ROs and SDOs shall ensure that the information provided in the SSA Form is complete, accurate, and sufficiently describes the congestion and/or environmental and safety concerns affecting the existing school site, including the justification for the proposed acquisition of an additional school site or relocation of the existing school.

Attached is the SSA Checklist for reference and guidance on the documentary requirements necessary for the evaluation and processing of school site acquisition requests. For questions or clarifications, please contact Mr. Danilo Bognot, Jr. of the Sites Titling Office through email at sto.fieldoffices@deped.gov.ph.

For compliance.
