1. In view of the conduct of the 5th Management Committee (MANCOM) Meeting on November 19, 2026 at a venue located in a mountainous area, all participants are hereby advised to observe the following health and safety precautions when proceeding to the meeting location:

    - **Use of designated vehicle transportation.** Participants with existing medical conditions, mobility limitations, or other health-related concerns are strongly encouraged to avail themselves of the vehicle transportation to be provided by the Local Government Unit (LGU) of Mapanas. This is recommended to minimize physical exertion and reduce potential health risks.

    - **Avoid the use of motorcycles.** Travelling to the venue by motorcycle is strongly discouraged due to the road conditions and mountainous terrain, which may pose safety risks to participants.

    - **Hiking through the designated stairs.** Participants who wish to reach the venue on foot through the designated stairs may do so only if they are physically fit and have no medical condition or health-related concern that may be aggravated by strenuous physical activity. Everyone is reminded to proceed at a comfortable pace and avoid overexertion.

2. All participants are enjoined to strictly observe these guidelines and prioritize their health and safety throughout the activity.

3. For the information, guidance, and compliance of all concerned.
